**Request for Modification of Conditions**

Dear Judge Chesler:

The above named offender was sentenced by Your Honor on December 20, 2005 on the charge of Possession of Child Pornography. He received 37 months in custody followed by 2 years supervised release with special conditions of DNA testing, Cooperate with INS, Financial Disclosure, Mental Health Treatment, No Contact with Minors, \$7,500 fine, Sex Offender Registration, and Computer/Internet restrictions.

The offender was released from custody on October 3, 2008 and is being supervised in the Eastern District of New York. On November 24, 2009 Your Honor signed an order adding special conditions related to mental health treatment and monitoring of a sex offender. They requested additional conditions of supervision and the offender signed a waiver agreeing to those conditions.

The offender has a hearing scheduled for January 23, 2009 for the purpose of determining his sex offender risk level under the New York State Sex Offender Registry. The Court in that case has requested the presentence report in order to assist in determining the risk level. This process is similar to the Megan's Law registration that is used in the State of New Jersey.

We are requesting Your Honor check the appropriate line to convey your wishes to us.

Thank you for your cooperation in this matter.

The Honorable Stanley R. Chesler
